

Partnership Evaluation

To evaluate the partnerships, conduct formal or informal surveys or focus groups with all stakeholders and customers during and after activities so that all partners can make plans to shape and improve future activities.

NOTE: All or parts of the following evaluation form may be used at different stages of the partnership. Statements should be modified according to the tenets of the partnership.

Key:

1=Strongly Disagree

2=Disagree

3=Neutral

4=Agree

5=Strongly Agree
