

## How do I join or leave a group?

- Log in to the LINCS Community and select the *Groups* tab at the top of the page.
- Scroll down the list of groups and select *Join* next to the appropriate group.

- You will be prompted with the text: Are you sure you want to join the group? Select *Join* or *Cancel* at this time.
- To leave a group you have joined, select *Leave* next to the appropriate group on the same page (shown above).

## Alternate path to leave a group:

- Select *My LINCS* at the top of the Home page, once you have logged in.
- Under the *my groups* tab, you will see the list of groups that you have joined. You may choose the *Leave* button next to any group to leave that group.

The screenshot shows the LINCS Community user interface. At the top, there is a navigation bar with tabs for Home, My LINCS, Groups, Events, About, Help, and Search. Below this is a breadcrumb trail: Home > My account > newuser66. The main content area is titled 'newuser66' and includes tabs for my\_groups, activity stream, contributions, unread, bookmarks, profile, and password. A table lists the user's group subscriptions:

Group	Email Subscription	
Adult English Language Learners	12 Hour Digest	<a href="#">Leave</a>

A 'Save' button is located below the table. To the right of the table is a user profile picture placeholder. At the bottom right, there is a button labeled 'View/Leave My Groups'.
